

# SPONSORSHIP PROSPECTUS

Welcome to Paradise Based Learning! An educator's wonderland where we help you sprinkle the magic of Experiential Learning in your classroom. Our platform is a treasure trove of workshops for educators that unlock the power of critical thinking, creativity, and collaboration skills in students, getting them ready to face the real world with confidence. We believe in fostering a culture of innovation and experimentation while staying true to academic standards and catering to student needs. Join us on this exciting journey.

# ABOUT EDUCATORS OF AMERICA

Welcome to Educators of America, a certified 501(c)(3) non-profit on a mission to help teachers take their classrooms from zero to hero! Since 2015, we've been working tirelessly to empower educators across the United States and beyond, with a special focus on sub-Saharan Africa and the Pacific. We're firm believers that education is the key to unlocking a brighter future, and we're lucky enough to have a team of certified teachers, education pros, and evaluation gurus who share our passion. Together, we're committed to helping our fellow educators achieve true excellence in the classroom.

# ABOUT THE EVENT

Paradise Based Learning aims to promote Experiential Learning among education professionals by providing them with a space for learning and collaboration. We believe in fostering innovation and experimentation in the classroom, empowering teachers to implement PBL that aligns with academic standards and student needs. PBL helps develop critical thinking, creativity, and collaboration skills in students, preparing them for real-world challenges. Paradise Based Learning offers workshops to support educators in implementing effective PBL methods and share best practices. We believe that PBL is a mindset that values creativity, collaboration, and innovation, and they are committed to helping educators transform their classrooms into dynamic and student-centered learning environments.
